Progress Report - Week 9
Team 179 - USB RF Switch Controller

Sponsored by Phonon Corporation

10/27 - 11/2
Meeting Held 10/29
Overview

Met with team members to construct project proposal and preliminary parts list to order. Proposal was constructed to finalize what will be done in project in terms of building system and testing.

Deliverables

Current parts determined necessary to order to build prototype system for initial testing:

- Boost Converter
- Arduino Board
